

Jackson

by

James C. Retson

Last Revised July 10 2015

Robert Jackson born in Down Ireland on February 1 1833 married Jane Rigg in Perth Ontario and raised a large family in South Easthope, Stratforth Ontario. Two sons, Fredrick and William came to Rat Portage in 1898 to open up a bakery business. Brother Charles followed a few years latter. Many Kenora descendents including Jackson, Elliott, Delamere O'Neil and Hook can trace themselves back to these roots
